11. SCORING

Matches will be scored as shown in the Appendix 1 based on 'A' and 'B' strings which follow the number of teams in the division to which teams have been allocated.

The official league results software must be used to record the results.

- 11.9. In the event of a tied match score in the National Final or the Scottish Qualifier the greatest number of 'A' string first places will decide the finishing order. If this does not resolve the matter, then it will be decided on the greatest number of 'B' string first places. If still unresolved, then 'A' string second places, 'B' string second places and so on, until a decisive result is achieved.

12. NON-SCORING EVENTS

- 12.1. In the Upper Age Group each team is allowed to enter a non-scoring athlete in up to six events (of either age group) per gender per meeting No more than three of these events, per gender, may be field events. CLUB JUDGING RESPONSIBILITIES – UPPER AGE GROUP
CLUB NUMBERS AS SHOWN IN THE 2018 LEAGUE STRUCTURE

Club Judging responsibilities have been allocated on a rotational basis; however, given the early start time of the Hammer events in Premier divisions it may be necessary to rearrange duties to accommodate teams who have to travel some distance to fixtures. Clubs will need to acquaint themselves with their prospective duties and contact the host club if there is likely to be a problem; the host club will need to notify all clubs concerned, in the event of any necessary amendments.
